A MEMORY LANE

## WEAVING A MESMERIC FUTURE INSPIRED BY A SUMPTUOUS PAST

Going back in time and exploring the richness of culture and art teaches us the depths of history through patterns and colors. There are infinite expressions and experiences iterated in the spell-bounding designs throughout the many prolific cultures of the world.

Infusing this aesthetic sensibility with a hint of contemporary craftsmanship, we are here to translate a historian's imagination to surfaces through detailed designs and a fusion of patterns.
