Life is colorful

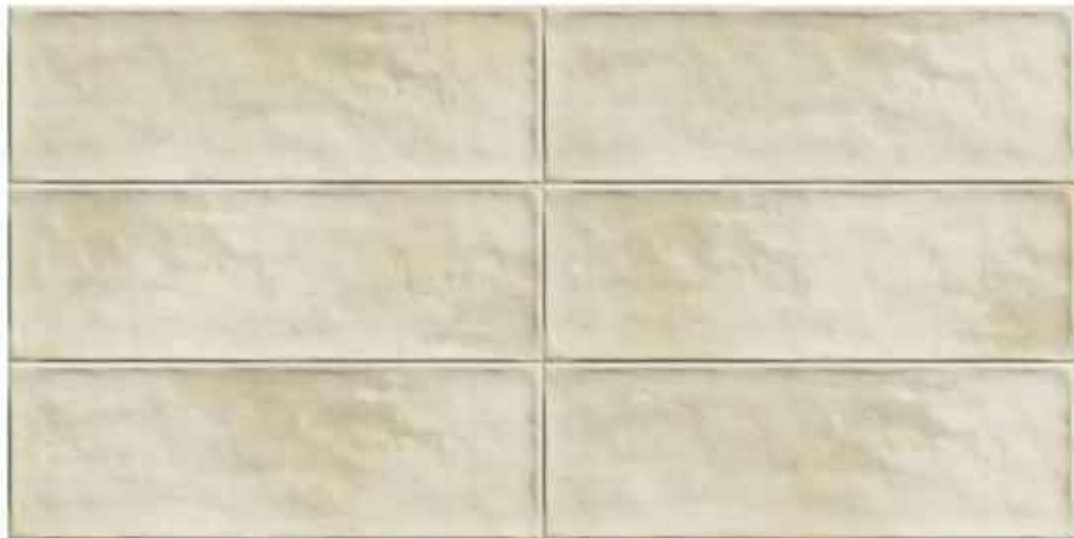

We gradually find ourselves in a black and white world, where some things that we do are good and other things are bad. These are the first "colors" that we learn about in life. ... You will get to know the colors of love, joy, surprise, anger, sadness and fear.

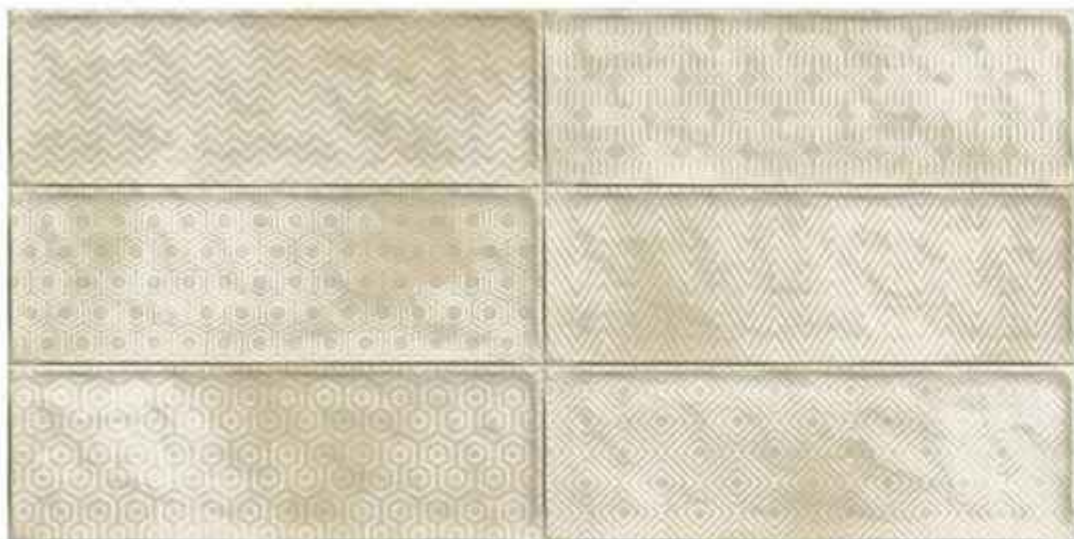

ROME BEIGE

ROME BROWN

4" X 12"

Rome brown is a natural color that evokes a sense of strength and reliability. It's often seen as solid, much like the earth, and it's a color often associated with resilience, dependability, security, and safety. Brown can also create feelings of loneliness, sadness, and isolation.

ROME AQUA

4" X 12"

Rome Aqua has a vibrant, striking tone, making it a wonderful accent in designs. You can combine it with other cool colors like dark grays or black, or you can pair it with warm colors like yellows or bright oranges for something that pops.

ROME BLUE

4" X 12"

Rome Blue has more complex and contradictory meanings than any other color. These can be easily explained by pinpointing by the specific shade of blue.

ROME BLUE

ROME CHARCOL

4" X 12"

Rome charcol is the color of intellect and of compromise. It's a diplomatic color, negotiating all the distance between black and white. We typically consider gray to be conservative, elegant, and cool, though it can be a bit mysterious.

ROME CHARCOL

ROME GRAY

4" X 12"

Rome gray represents neutrality and balance. Its color meaning likely comes from being the shade between white and black. However, gray does carry some negative connotations.
