# OUR SERVICES

## TYPES OF PROCESSES

Our products are a synthesis of modern, contemporary, and conventional manufacturing techniques. This comprises handcrafting, sandblasting, digital and screen printing, water jet cutting, and other techniques.

## WE OFFER CUSTOMIZATION

We work hard to make sure every customer gets what they're looking for. In order to achieve this goal, we collaborate closely with our clients and offer 100% customization in order to create higher value on each of our projects.

## PROMPT DELIVERY

We are aware of how crucial it is for you to receive your order promptly and undamaged. We value your order just as highly as you do. On-time delivery is our primary focus at The Stone People.

## MISSION

Our mission is to provide high-quality, innovative, and sustainable tiles and marble products to our customers while delivering exceptional customer service and maintaining a commitment to ethical business practices.

## TILE DECOR

Tile decor involves the use of decorative tiles to create unique and visually stunning designs for floors, walls, backsplashes, countertops, and more. Tiles come in a variety of materials, colors, patterns, and textures, which makes them incredibly versatile and suitable for different design styles and themes. Tile decor offers endless design possibilities.

## HANDMADE TILE

---

Handmade tiles are a beautiful and unique option for anyone looking to add character and charm to their home or workplace. Every tile is made with care and attention to detail by skilled artisans, making it unique and never to be repeated.

Glazed ceramic handmade tiles have been used for floors, walls, kitchen backsplashes, fireplaces, and other areas where people wish to make a statement for millennia. We produce handcrafted ceramic tile in a range of forms and colours as an artisan tile firm. Discover beautiful lantern pattern tile, Moroccan fish scale tile, hexagon tile, and more.

## CONCRETE TEXTURE TILES

Introducing our Concrete Texture Tiles - the perfect solution for achieving a modern, industrial look in any space. Our tiles are made from high-quality raw material and are available in a variety of textures, including smooth, rough, and patterned.

## 3D TEXTURE TILES

3D tiles can add texture and colour to accent walls, TV backdrops, outdoor seating areas, commercial spaces, and even offices. The unique, uneven patterns of 3D tiles automatically bring natural comfort to any space.

# GRANITE FINISHES

Granite is frequently utilized in all projects with the four most popular finishes: polished, honed, leathered, and flamed. However, with the advent of technology, there are other types of finishes also available, such as sandblasted, bush-hammered, sawn, tumbled, hydro, ribbed, etc. It's crucial to select the appropriate Granite Finish (Granit-Finish) for your design because each Granite Finish (Granit-Finish) will offer your area a unique feel and style.

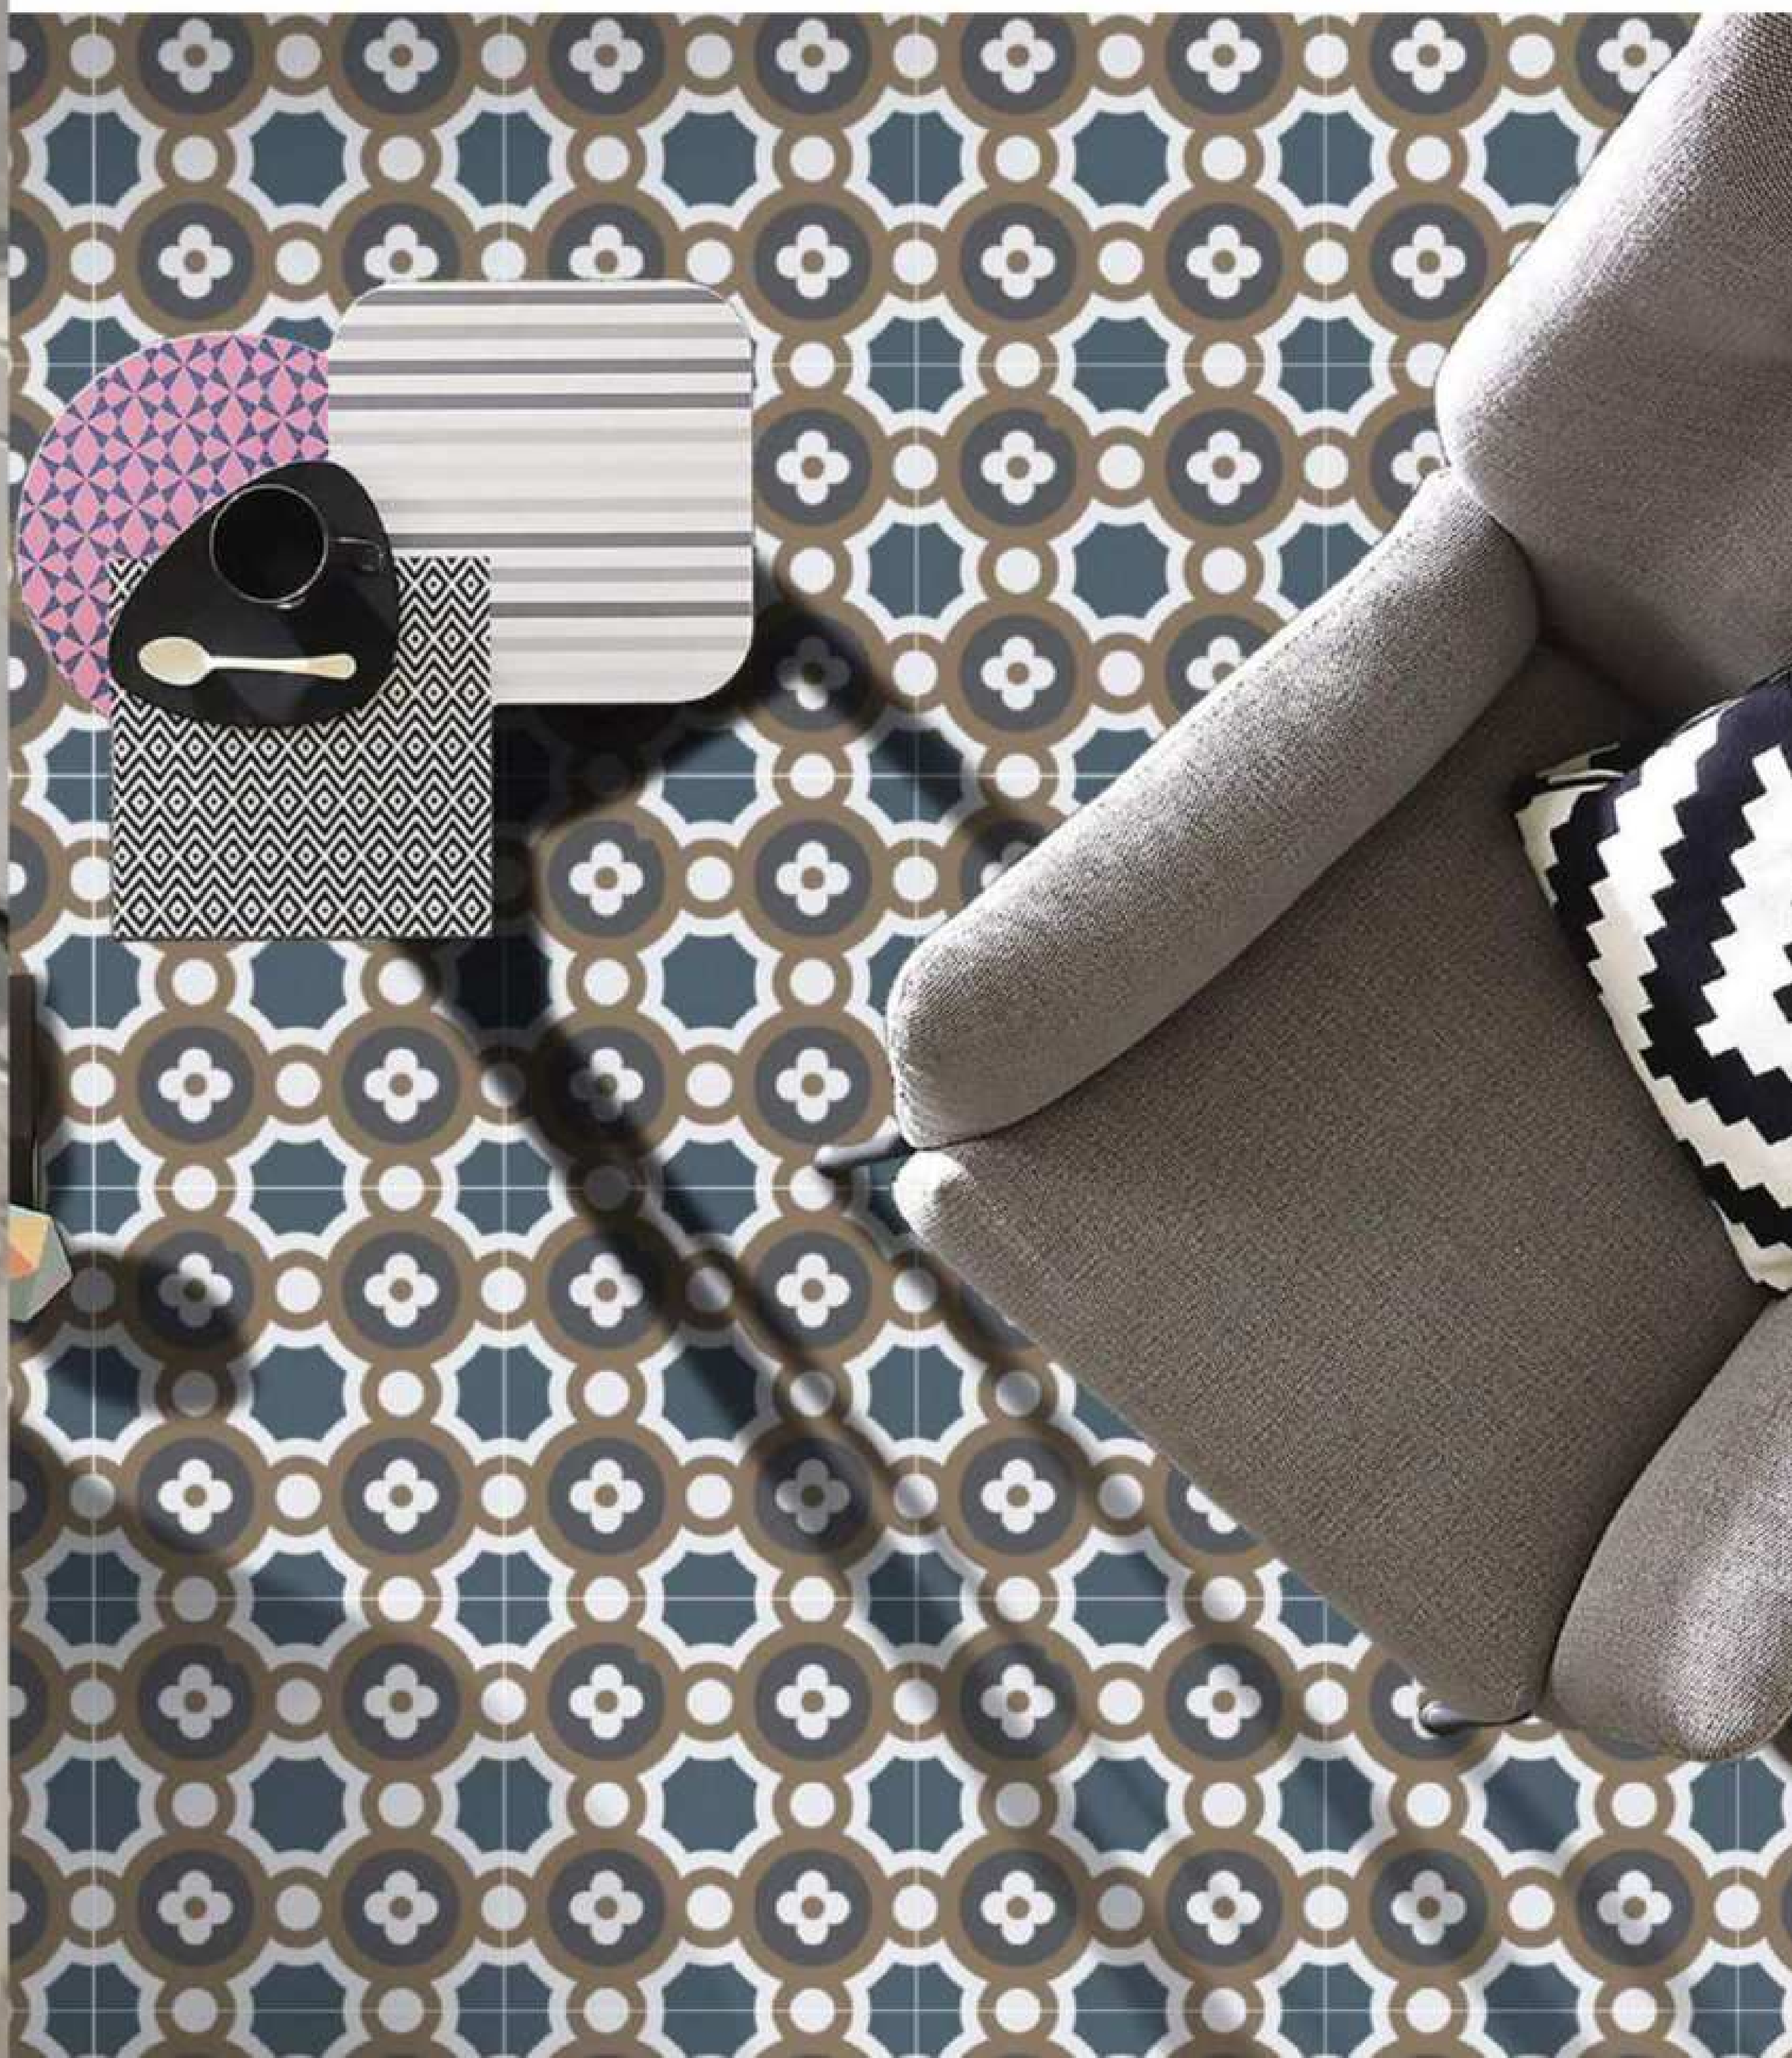

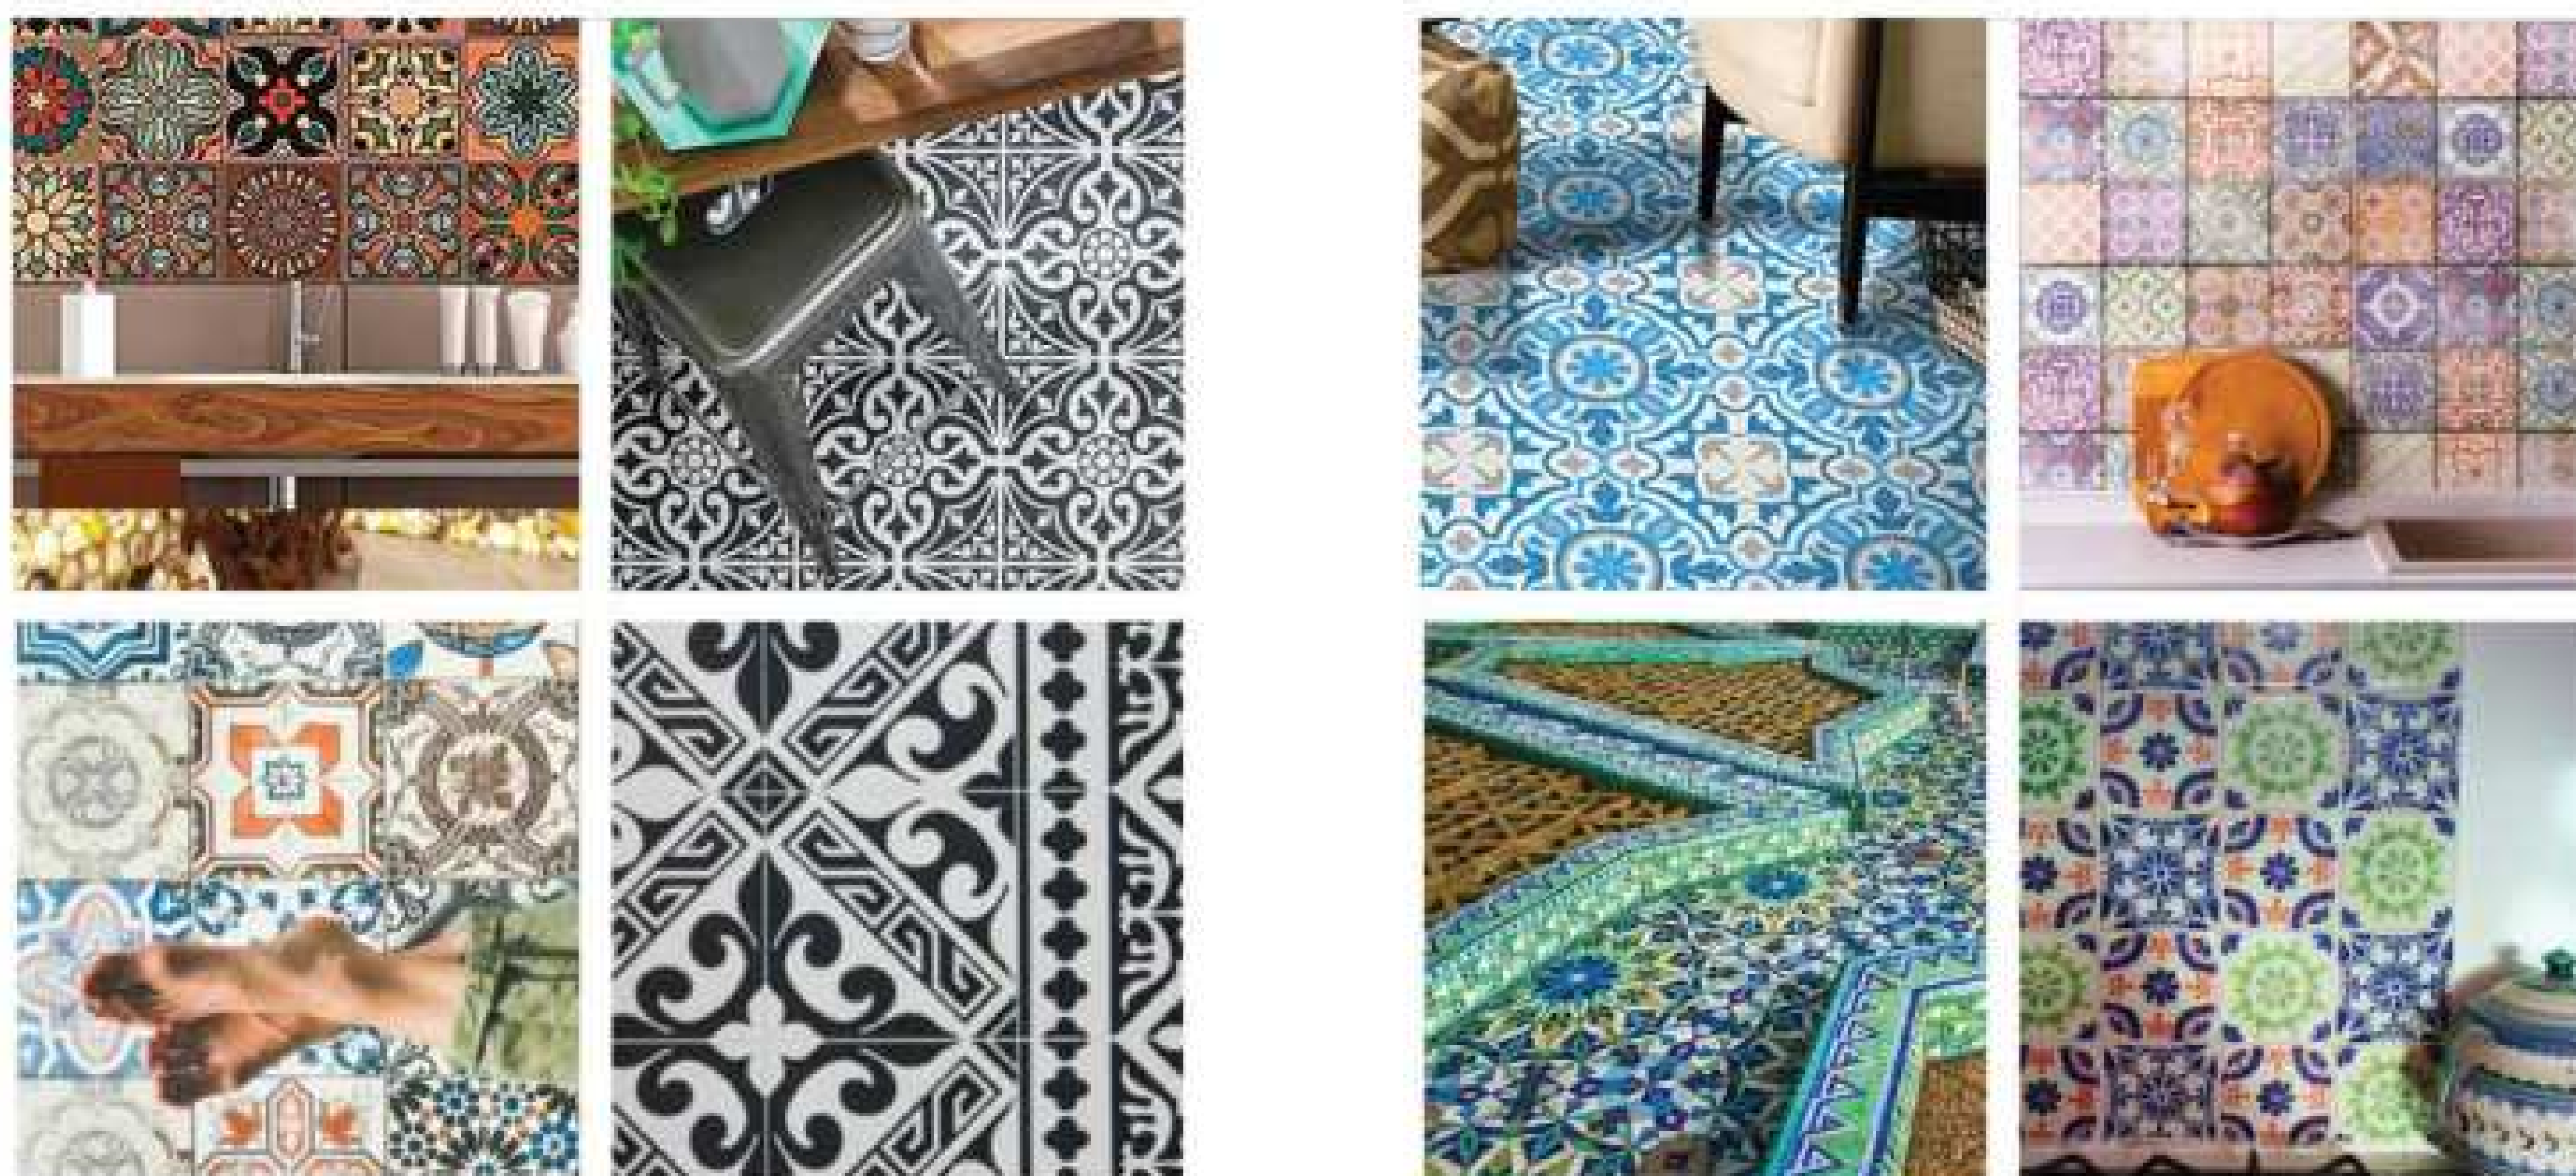

## MOROCCAN TILES

Our Moroccan Tiles come in a range of vibrant colors and intricate patterns, each one unique and captivating. Made from high-quality ceramic, these tiles are durable, long-lasting, and easy to clean, making them ideal for high-traffic areas.

Installation is quick and easy, with our skilled artisans in hand to help you create a custom design that perfectly fits your vision. Whether you're looking to add a splash of color to your kitchen backsplash or create a stunning feature wall in your living room, our Moroccan Tiles are the perfect choice.

## TERRAZZO TILES

Elevate your space with our Terrazzo Tiles - a timeless and elegant option that brings a touch of luxury to any room.

With a wide range of colors and patterns to choose from, our Terrazzo Tiles can be customized to suit any style or aesthetic. Whether you prefer a classic black and white design or a more modern colorful pattern, we have the perfect tile to match your vision.

# SUBWAY TILES

Introducing our Subway Tiles - a classic and timeless choice for any interior design project. With their clean lines and versatile style, these tiles can create a modern or traditional look depending on your preference.

Our Subway Tiles are made from high-quality materials, ensuring their durability and longevity. They are easy to clean and maintain, making them perfect to use in kitchens, bathrooms, and other high-traffic areas.

## STONE CARVINGS STONE MURALS

Introducing our exquisite Stone Carvings and Stone Murals - where nature meets art! Our company specializes in creating breathtaking art pieces that elevate any space's aesthetic appeal.

Our experienced craftsmen work with premium quality natural stones like granite, marble, and limestone to produce intricate carvings and murals that exude elegance and sophistication. Our pieces are ideal for any setting, whether it's a residential or commercial space, indoor or outdoor. From simple to complex designs, our stone carvings offer a range of options for any budget and style preference.

## SEMI PRECIOUS STONE

Chalcedony, a type of quartz that is cryptocrystalline, includes Agate. This stone can be distinguished from other chalcedony varieties by its transparency, colour patterns, or moss-like inclusions. Agates can display a wide range of vibrant, many colours.

## HAND CUT MOSAIC

Hand-cut mosaic is a form of decorative art that involves cutting small pieces of tiles, glass, or stone by hand and piecing them together to create a larger image or pattern. This ancient art form dates back to centuries ago and has been used in many different cultures and civilizations to create stunning works of art.

## SLABS 8'X4'

---

8x4 slabs tiles are large-format tiles that measure 8 feet by 4 feet. These tiles are ideal for creating seamless and uninterrupted surfaces for walls, floors and tabletops. They are available in a wide range of designs such as marble, granite, quartz, and porcelain, which makes it easy to find a style and color that suits your preferences.
